

# Anti-NP (SARS-CoV) Mouse monoclonal antibody

Cat# A530106– 100 µl

Upon receipt, store at -20°C or -80°C. Avoid repeated freeze.

## INFORMATION

|                     |                                                                                                                                                     |
