

# Potassium Chloride (KCl)

Cat# C3113

Store at room temperature

## INTRODUCTION

**CAS:** 7747-40-7

**M.W:** 74.55

**Formula:** KCl

**Purity:** ≥99.5%

**Solubility:** Easily soluble in water and glycerin, slightly soluble in alcohol, insoluble in ether, acetone and hydrochloric acid

**Density:** 1.98

**Melting Point:** 770°C

## PRODUCT USE LIMITATION

These products are intended for research use only.
